

The Perfecto Brand Collection

by Schott NYC

We design the Perfecto Brand collection by searching our archives for inspiration. Often we will reinterpret classic styles in new fabrics or fits and other times we find a piece that just speaks for itself.

THE CROSBY

The "Crosby" (P631) draws inspiration from our classic 631 deluxe steerhide surcoat. A staple in our collection from the 1960s to the 1980s, this hip length, zip front, car coat has been reinvented in a waxy buffalo leather, with a sheepskin collar and quilted lining. This timeless piece is back and better than ever.
